

REMARKS

This Amendment is in response to the Office Action of September 25, 2008. In the Office Action, The Examiner indicated that the proposed amendments filed after Final Rejection will not be entered because they raise new issues that would require further consideration and/or search and that they do not place the application in better condition for appeal. The Examiner indicated that "the additional phraseology raises new issues."

Interview

Applicant's attorney wishes to thank the Examiner for granting a telephone interview on October 22, 2008. The presently amended Claims were discussed and the Examiner agreed to reconsider the decision to not enter the Amendment of September 12, 2008.

Request for Reconsideration

Applicant respectfully requests reconsideration of the decision to not enter the Amendment of September 12, 2008. The changes presented in the Amendment of September 12, 2008 were discussed during an interview between the Examiner and the undersigned on September 9, 2008. The only remaining issues in the case were rejections under 35 USC 112, and an agreement was reached during the interview that the proposed changes would overcome the rejections under 35 USC 112. The changes to the Claims do not raise new issues. The changes to the Claims place the application in better condition for appeal because they resolve the rejections under 35 USC 112.

Applicant therefore requests entry of the Amendment of September 12, 2008.

The Application further appears to be in condition for allowance, and favorable action is requested. The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
